

**HOW IT WORKS:**

InsecSTOP 1 & 2 are a vegetal extract made up with complex active ingredients (Sophora flavescens Ait, Tuberosa Stemona Lour., Chenopodium ambrosioides L (mexicantea), etc.). It acts attacking the motor system of the plague, destroying it. Due it's a natural product, it acts also as an improver of the vegetative system of the plant

- It has no security period
- It does not affect the useful fauna
- It does not create resistance
- Effect during 12-15 days

EFFECTS:

1. Clean molasses
2. It repels
3. Kill nouns

Easy to dissolve. It does not create residues.
